

## **Token Generation System Procedure for stall booking of 24<sup>th</sup> Mega Property Exhibition scheduled to be held on 15<sup>th</sup>, 16<sup>th</sup>, 17<sup>th</sup> & 18<sup>th</sup> Jan.,2026**

---

The Exhibition Committee of CREDAI Pune has planned the **24<sup>th</sup> Mega Property Exhibition** for January 2026. This flagship event is promoted through both online and offline media channels to raise awareness, attract a maximum number of prospective buyers to the Property expo, and positively impact the real estate industry. It also aims to promote sales and marketing of Projects in Pune Region (including PMC, PCMC & PMRDA).

As in previous years, the CREDAI Exhibition Committee will set up an **online token generation system** that is transparent and convenient for its members.

This system is designed so that members can participate in the booth allotment process directly from their offices, with token generation on a **first-come, first-served basis**. For the past few years, **Mantra Media** has successfully set up this online system for CREDAI, ensuring smooth and efficient operations.
